Bluebird BIP1300

All In One Payment Terminal

Catch 3 birds with one shot

The BIP1300 has 3 different major functions. Mobile Payment Terminal, Barcode Scanner, and Receipt Printer. On top of that, the BIP1300 has many other great functions. If you carry around too many devices and can't find where the peripherals are, the BIP1300 can be the perfect solution. It's small and light, yet has all you need with ultimate functions, performance and mobility.
